Counting Pumpkin Seeds

Count the seeds in each pumpkin and write it.

A large rectangular frame containing 14 pumpkins arranged in four rows. Each pumpkin has a stem and a circular area below it for writing the count. The number of seeds in each pumpkin is as follows:

- Row 1: 3 seeds, 7 seeds, 5 seeds, 5 seeds
- Row 2: 6 seeds, 2 seeds, 0 seeds
- Row 3: 1 seed, 5 seeds, 5 seeds, 6 seeds
- Row 4: 5 seeds, 7 seeds

A spider is hanging from a vertical line above the second pumpkin in the second row.
